CUSTOMER AGREES AS FOLLOWS:

- 1. Deposits and Pre-Pay amount not received at time of contract will be billed to customer account on the effective date. Customer is responsible for payment of deposit and pre-payments within 10 days. If payments are not received in allotted time frame, customer is responsible for gallons as stated in #2 below.
2. Unused contract gallons are subject to:
a) \$0.10 per gallon commitment fee if remaining contract is greater than 100 gallons or 10% or more of original contracted gallons.
b) if the bulk delivery price on April 15th is lower than the contract price the customer will be billed the difference, whichever is greater. All charges will be automatically deducted from prepay or deposit amounts (as applicable). Remaining credit balance may be refunded to customer or applied on account, at customer's discretion.
3. Deliveries less than 200 gallons will include an additional \$0.20 per gallon.
4. During the term of this contract, all gallons delivered to customer shall be deducted from the contracted gallons.
5. All contracted gallons will be delivered to your tanks only, unless prior written authorization by CVC.
